### **Ballet and Jazz Placement**

Each dancer is graded on a scale by several teachers. We look at each dancer individually and try to make a decision on what is best for them based on their ability, their age, and their personal learning style. We also only have a set number of spots in each level so our class sizes are manageable. We want every dancer to feel confident, and have the ability to grow in their training in a positive and healthy manner. We evaluate and discuss each dancer, based on our years of professional training and teaching experience.

**We will post class placement results for both Ballet & Jazz on our website and in the parent portal; Saturday July 26th by 2:00pm.**

Results will be listed by their number. Dancers in both Jazz and Ballet will have the same number. All placement results are final. You will need to still enroll (online) once enrollment has opened. We will NOT automatically enroll your dancer.

**Enrollment for levels IIA-VI will begin on Monday July 28th, at NOON.**

Please note enrollment for Ballet & Jazz levels I, II, Combo, Creative Dance, Hip Hop, Tap, and Adult classes begins on **Monday July 14th at NOON**
